VICE PRESIDENT

Pat

-Bubble deflation scheduled for April 10

Anthony will check with the city to see if we are still allowed to proceed under the new covid rules

There are volunteers coming to help

-Larry has 1 net, Anthony can loan us a net, Adrian will put up the nets

NEW COVID STAE OF EMERGENCY STATUS

As of now we will proceed as we have been.

The recommendation received from the city states we be strict with our rules. As a board member, please know the rules. If members need reminders please do not hesitate to reinforce them.

- the city is using the [tennisontario.com/return-to-play](https://www.tennisonario.com/return-to-play) recommendations for grey/lockdown and made it clear that things are still being reviewed and may change. Here are the ones that affect our decision on club activities and member cap.

- Capacity limit of 25

- No Intra or Inter club leagues

- No guests and no spectators

- No social activities

- No non member unless accompanying junior (only 1)

- No tournaments

- Coach to student ratio 1:4

there was discussion and concluded as long as 2 metres is maintained it is no different than doubles play.

We will keep clubhouse and washrooms closed.

FOBS will remain inactive, only board members will have access.

Pat will inform cleaners that we will not need them until May

## MEMBERSHIP

Bob

Total membership for this year is at 678 members

Last year total membership was 708

The board agrees to cap the membership.

Bob will send an email out to those on the waitlist informing them that we are closed to new members.

He will let them know that they can remain on the list, but not to expect to get in.

## MAINTENANCE

Windscreens usually go up in the middle of May, we will put all the screens up once we get the delivery of the new ones, but not before May, we don't want people to get too close.

Larry will find the volunteers to put up windscreens. He will use experienced people, who he has used in the past.

Evening lights are now on.

Some talk of new LED lights. Very expensive, so we will revisit when we next need to redo the lights.

No date on court resurfacing. Wouldn't happen until at least June.

## CLUB PRO

Adrian

Adrian is usually at the club and he can access the clubhouse if anyone needs the first aid kit.

## ADULT LEAGUES

We will decide later about in-house leagues. Need volunteer to run them. We must be in orange zone before we are allowed to run them

There is no Lakeshore League this year.

## TOURNAMENTS

Steve

Singles ladder will start once bubble is down.

Steve will wait to see the covid restrictions before sending out a letter about the doubles ladder

## SOCIAL

Allen

Allen will reveal the winning logo on Friday

## NEW BUSINESS

We are going to remove Shyam Ramachandran from our distribution list. He hasn't attended at least 50% of our board meetings.
